This is a vintage flea, handmade & independent business market. We are looking for the best pickers, finders, salvage experts, makers and crafters. We will prioritize high quality items, chippy, repurposed & vintage items, well-staged booths and creative space usage. This is a juried event. All applications will be reviewed to ensure quality, style compatibility and variety.

If you sign up for an outdoor, uncovered space you will need a tent or canopy that is secured to the ground, preferably white. No tables, chairs, unloading assistance, wifi or electricity will be provided. **You may not drive directly to your site so be prepared to haul your things a short distance.**

Set up begins on Friday morning. You may wait to set up on Saturday morning but we strongly encourage you to be at least partially set up before Saturday morning. Please arrive early and be ready for shoppers by 8:30 at the very latest and stay until 3:00. There is no smoking or vaping allowed at any time in any of the event areas.

After you have unloaded your items you will be required to move your vehicle to the designated vendor parking area asap to make room for other vendors & shoppers. This is not optional. You must follow all parking attendant instructions and signage.

If you are accepted an invoice will be emailed via Square. Your participation will be confirmed and promoted once payment is received. **Vendor fees are non-refundable.** We will hold the event regardless of weather conditions; please come prepared. If we cancel the event due to extreme weather or other unforeseen events **your event fee will be applied to a future market.**
